SMOTHERING SPELLS

And Dizziness Relieved By Black-Draught, Says Ohio Lady.

Coalton, Ohio.—Mrs. Lucy J. Beatty, of R. F. D. 1, this place, writes: "Some time ago I had a great deal of trouble with my stomach. It seemed there was a hard lump formed in my stomach. This lump was sore and every time I would eat I would feel bloated and pained me terribly. It would seem to come up toward my chest.

I would have smothering spells and feel dizzy. I would start across the floor and would have to sit down. At night I smothered so I couldn't sleep. I would go to bed and wake with a start and feel like I would smother to death. The doctors said it was my age and doctored and doctored, and I didn't get any better.

I was almost discouraged so I began to look around for other remedies and while reading the Almanac I decided to try Black-Draught, which I did. I bought two packages and took it regular for awhile and it cured me and I don't have any more trouble of that kind."

If you suffer from stomach and liver troubles, give Theford's Black-Draught a trial. It has helped thousands of others—why not you? All druggists. NCB-16

LaPlata Has Big Fire

Early Wednesday morning of last week the lumber yards at LaPlata, Macon county, Mo., belonging to and operated by the W. C. Arnold Lumber Co. and the elevator belonging to H. G. Reyner and Son, adjoining the lumber yard, were entirely destroyed by fire, and for a time the whole business section of the town was threatened. It was only by the most heroic efforts of the men of the town that the business section was saved. They have no fire engine or other apparatus and the fighting of the flames was done wholly by bucket brigade.

The loss of the lumber company is placed at \$30,000 and that of the elevator at \$10,000. In the elevator were about 800 bushels of oats and about the same amount of corn. The lumber company and the elevator were both insured but the amounts will not cover the loss by several thousand dollars.
